SUBMIT

## Call for proposals!

The World Stroke Academy has been organizing a series of international webinars, as well as e-learning modules, case studies, podcasts and other educational activities to compensate for the loss of face-to-face meetings and conferences and to support clinicians struggling to maintain stroke services and research during the pandemic.

Submit your proposals [here!](#)

## 8K Twitter Followers!

---

Our Twitter community keeps on growing on our @WorldStrokeEd channel. Thank you to all our followers and contributors for your continuous support and for helping us achieve this milestone - we will continue sharing our news, initiatives, educational content and latest projects with all of you, focusing on stroke education and stroke awareness, globally.

Are you not a part of our community yet?
