

JUNE 2023

# WORLD STROKE ACADEMY

News and updates from the WSO Educational Platform

## Call for proposals!

SUBMIT

We are inviting you to submit proposals for topics and formats of educational activities to be hosted on our platform. This is an opportunity for our members to play an active role in shaping the education and training offerings of our organization and contribute to our greater cause of improving the care and outcomes for stroke patients worldwide. We are open to a wide range of proposals, from traditional lecture formats to more interactive and engaging approaches such as webinars, case discussions, and simulation-based training. If you have an idea for an educational activity that you believe would be of value to our members, we encourage you to submit a proposal today!
